ORACAL[®] 8800

Translucent Premium Cast

ENGINEERED FOR EXCELLENCE

Typical Application

ORACAL® 8800 is a premium translucent cast film designed for long-term illuminated signage on both rigid and flexible sign face materials. The silk matte finish inhibits undesired reflection and provides consistent uniform color in backlit signage applications. Perfect for high-quality dimensionally thermoformed sign faces and traditional channel letters.

Product Overview

Thickness // Espesor /// Épaisseur	2-mil	50 micrones	2-mil
Film Type // Tipo de filme /// Type de Film	cast PVC film	película de PVC fundido	film PVC coulé
Application Surface // Superficie de aplicación /// Superficie de l'application	flat or thermoformed sign faces	plano o termoformado caras de signos	plat ou thermoformé signe visages
Adhesive // Adhesivo /// Adhésif	clear, solvent-based, permanent	claro, a base de solvante, permanente	transparent, à base de solvant, permanent
Available Roll Widths // Anchos de rollo disponibles /// Largeurs de rouleaux disponibles	24", 48"	610 mm, 1219 mm	24", 48"
Available Roll Lengths // Longitudes de rollo disponibles /// Longueurs de rouleau disponibles	150' (50 yard), 30' (10 yard)	46 m, 9 m	150' (50 verges), 30' (10 verges)
Durability // Durabilidad /// Durabilité	black + white // up to 10 years colors // up to 8 years metallics // up to 5 years	negro + blanco // hasta 10 años colores // hasta 8 años metálicos // hasta 5 años	noir + blanc // jusqu'à 10 ans couleurs // jusqu'à 8 ans métalliques // jusqu'à 5 ans
Optional Over-Laminate // Durabilidad /// Durabilité	ORAGUARD® 279 gloss // semi-gloss For first surface applications in harsher climates and environments where additional UV protection is desired.	ORAGUARD® 279 brillo // semibrillante Para aplicaciones de primera superficie en condiciones más duras climas y ambientes donde se desea protección UV adicional.	ORAGUARD® 279 brillant // semi-brillant Pour les premières applications de surface dans des conditions plus difficiles climats et milieux où une protection UV supplémentaire est souhaitée.

SILK MATTE FINISH

- /// Strong adhesive power
- /// Premium color retention
- /// Extremely conformable
- /// Dimensionally stable
- /// Long-lasting results
