

Avery Dennison® V-4000 & V-4000E Series

Being seen on the road - day and night

Avery Dennison® V-4000 & V-4000E beaded reflective films can increase vehicle safety whilst highlighting brand messages and logos, at any time of day or night. Designed for long-term fleet branding, emergency and truck applications in Europe, these films provide superb conversion and print performance with boundless design possibilities - available with a permanent or EARS-LTR adhesive.

FLEET MANAGER

- > Striking 24-hour brand visibility: enhance vehicle appearance and safety
- > Up to 7 years warranted durability
- > Several design options: can be printed and cut
- > 6 high-gloss colours (or match your corporate colour)
- > Removes easily and cleanly (e.g. end of lease)

CONVERTER FRIENDLY

- > Quick and easy application (with Easy Apply™) + slideability and repositionability
- > Solid metallic layer: eliminates edge sealing - save time and money when converting/applying
- > Superior printability across all platforms
- > Sign-cutting possible
- > Superb conformability to moderate curves
- > V-4000E for ECE104 regulated use

RECOMMENDED USES

- > Truck and Trailer applications in Europe
- > Long-term fleet branding applications
- > Emergency fleet marking

Avery Dennison V-4000 E with Easy Apply RS for quick and easy application.
